EDUCATION

Bachelor of Science in Biology Education

April 2021

- University of Mary Bismarck, ND

LICENCE

- ND Educator License
- ND Educator Interim Substitute

Pending
2019-2022

EDUCATION EXPERIENCE

Student Teaching, Century High School, Mr. Ian Emery

Spring 2021

- The subjects I taught were Biology and Botany where I was a part of the Out of the Gate Grant.
- I became familiar with PowerSchool and Google Classroom.
- The student population I taught included EL students, those on a parallel curriculum, and students on behavior plans or IEP's.

Practicum 2, Century High School, Mr. Scott Johnson

Fall 2020

- While in an anatomy classroom I learned how to effectively engage students in hybrid model.
- I implemented breakout rooms via zoom in the laboratory and classroom settings and enhanced student self-determination by allowing them to work independently in lab.

Practicum 1, Mandan Middle School, Mr. Jackson Long

Spring 2020

- I learned how to promote diverse student autonomy in dissections and participated in aligning 7th grade life science curriculum across the district.

RELATED WORK EXPERIENCE

Assistant Girls Tennis Coach, Saint Mary's Central High School

4/2018 – Current

- Implemented summer and winter strength and conditioning programs to improve individual and team performance.
- Promoted a positive environment for all athletes, which helped to diminish stress.

Chemistry Teacher's Assistant

2020

- Create unique workshop lessons for students each week.
- Tutor 100 level Chemistry courses, any level Biology course, and small group tutor session

Kids Club Assistant, Light of Christ Schools

9/2018 – 4/2019

- Entertain children through activities, games and crafts.
- Promote physical development through recreation.
- Establish a safe play environment for the children.

Triple Star Day Camp

5/2018- 8/2018

- Bismarck Parks and Rec camp for students with special needs.
- Every day we organized recreational activities, played card games, went to the pool, and created crafts with the students.

OTHER WORK EXPERIENCE

Exercise Physiology Aide, St. Alexius Human Performance Center

6/2019- 12/2020

- Train middle and high school aged athletes for upcoming athletic seasons.
- Create unique one-on-one training sessions for various sports.
